

Each of the oranges is delicious, so pick one.

Everyone with a grain of sense likes armadillos.

Something in the fish tank moved suddenly, freaking me out.

Neither of the elves were particularly cheery.

Everybody throughout the country was into the dancing banana craze.

No one in the cellar enjoyed the way Dr Fiend cackled as they worked on the super weapon.

One of the losers, unable to contain his anger any longer, ran up and ate the prize as it was handed to the winner.

Anyone but me is qualified for the prize.

Nothing of the cows who were abducted was ever found.

Either of the elephants are mean and like trampling tourists.
