

Country Fried Chicken

Wait until you get a serving of this mouth-watering morsel. Specially prepared by our top cook, Henry Jobas, this a treat sure to please. Get now while we still have them, because they sell like hotcakes!

Hungry Henry's Hamburger

When you bite into one of Hungry Henry's Hamburgers, you won't believe the taste. The taste of the beef is accented by a thick layer of cheese and many herbs and spices. Also available as a veggie hamburger and without the spices for the bland American diet.

Hot Dog Heaven

Everyone says that when you bite into one of Hungry Henry's Hot Dogs, you'll be in Hot Dog Heaven. The bread and sauce is specially made by our top cook and his assistant, and both are entirely gluten free! As for the meat, today's hot dogs are brought to you from "Billy" the Bull.

Masterful Mashed Potatoes

Try as a side dish to any one of our top meals. It is also available on its own, as an enormous plateful sprinkled with spices and served in a delicious gravy. Just like Mom used to make it!

Fancy Fries

These fries are the most average part of our menu, but to offset that, we offer them in many different shapes, colors and flavors. For a birthday, we'll make them in the shape of your name!

Great Green Beans

These delicious green beans are the cherry on top of the sundae, so to speak. Try them with any of our other dishes, and you won't believe how much they add to the meal! They are specially picked from our own farm, and we hope you enjoy them.

Crazy Good Coleslaw

"This coleslaw is delicious!" said one satisfied patron. "I could never get my son to eat coleslaw, but now he came back for seconds!" Prompted by the love for our various foods, we have recently released the Limited Edition Hungry Henry Cookbook, which will tell you how, among other things, to make your coleslaw taste good! Order now while copies last.
