

The beef in red wine sauce made my nose twitch.

The bowl was filled with legumes.

Most food would taste better with fragrant onions.

She overate at the buffet, and ended up vomiting.

Although he wasn't very hungry, he overate, eating five bowls of of pasta.

You really understand how to cook food on the stove.

I love anyone who can make god-worthy bread.

Stop being fussy about your food and try new kinds of food.

If I got a dollar for every time someone asked "Do you want fries with your meal?", I'd be rich.

Where is the dessert?
